AMENDMENT:

1. The following provides answers to questions submitted to the Contracting Officer in writing:

Q1: During the three-hour oral presentation, will there be an opportunity to present classified information to the Government?

A1: No, all information presented must be unclassified.

Q2: The RFP requires a three-hour oral presentation in addition to written proposal efforts. Historically, NSWC Dahlgren RFPs have allowed a 45 to 60 day response when an oral response is included. Would the Government consider allowing a longer response time?

A2: No. Based on the Government's start date, any extension in the solicitation would put the 01 October 2003 start of performance date in extreme jeopardy of being fulfilled.

Q3: What is the last date that RFP questions can be submitted?

A3: As stated on page 57, questions are due 14 days before the solicitation closing date; therefore, questions are due by 04 July 2003 and may be electronically submitted to the xds11@nswc.navy.mil.

Q4: Page 59, paragraph Ddl-M10(d)(1) discusses the list of software proposed to satisfy the functions at C.3.4.3. Section C does not include a paragraph C.3.4.3, is it correct that C.4.4.2 is the correct reference section of the SOW for this requirement.

A4. Yes. The reference to Statement of Work paragraph C.3.4.3 should be changed to C.4.4.2.

2. All other terms and conditions including the date, time and place of submission remain unchanged.
